## CLASSIC LOOK

PERFECT FOR CUSTOMIZATION

The Standing Seam Series provides the classic metal roofing look, without the seams and exposed fasteners of lesser quality systems. Since Cornett Roofing fabricates each panel for a project, the custom design and detail possibilities are endless!

# STANDING SEAM SERIES

CLASSIC METAL ROOFING, UPSCALE APPEARANCE

Cornett Roofing's Standing Seam Series is offered in seven standard colors, although virtually any custom color can be ordered. Made of the same high-quality, 24 gauge steel used in all our roofing products, the metal panels are fabricated on-site to the exact lengths needed to create a seamless, custom roof for your home or business.

## PERFECT FOR COMMERCIAL & RESIDENTIAL PROJECTS
